

Goaltending Program

Andrews Hockey Operates North America's Longest Running & Most Successful Goaltending Program. Goaltending Academy is Researched and Designed to Meet the Needs of Players at All Levels! We offer a full Integrated Goaltending Program every week.

Foundational Goaltending Program

Focus is on strong Goaltending Fundamentals including Skating, Movement, Positional Play, Rebound Control and more. This camp is also offered in conjunction with our Magic Hands, Modern Techniques of Hockey Skating and Defenceman's Specialty Programs.

High Performance Elite Goaltending Program

For Elite Level Goaltenders looking to take their game to the next level. This program features all aspects of our Foundational Goaltending Program with a special focus on the advanced techniques of the position.

This camp is also offered in conjunction with our Elite Defenceman's Specialty, Elite Shooter's, Young Guns, Mini Guns and Elite Skating and Scoring Programs.

All Goaltending Programs Feature:

- 4 Ice sessions per day (Goalie Ice, Skating, Situational / Puck Skills, Scrimmage)
- Synthetic Ice Instruction
- Video Analysis and Detailed Classroom Sessions focusing on Leadership, Goal Setting, Lifestyle Choices and more.
- Introduction to Hockey Specific Off Ice training.
- The latest tools for goalie development including electronic puck shooters, screens, deflector boards and more.

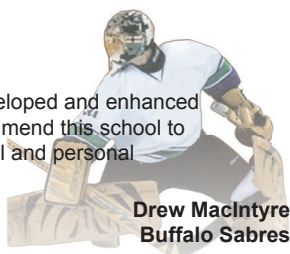

Andrews Goaltending Graduates Include:

Dan LaCosta
Former Columbus Blue Jacket

Joey MacDonald
Detroit Red Wings

Drew MacIntyre
Buffalo Sabres

"The Hockey Growth Programs have developed and enhanced my skills both on and off the ice. I recommend this school to anyone who wants to bring their physical and personal skills to a new level."
